> Hi Juan,
>
>
> Thanks to you and Mitch for dropping off care packages for the seniors. Unfortunately `Privacy` , our resident manager is
> in Kaiser Hollywood with a severe case of the Coronavirus. He was admitted yesterday and doing much better today
> while receiving oxygen. This is a heads-up that you and Mitch may wanted to be tested since you were exposed to him
> last Tuesday. Parkview has been practicing recommended precautions such as masks, gloves, hand-sanitizers, and
> physical distancing. I was tested today at a site close to my home in Woodland Hills.
>
>
> We are working with Dr. `Privac` Office and our legal counsel in preparing a notice to all Parkview residents. Some do not
> have computers to make an appointment for testing or cars to go to a drive-thru test location. Is there way we could
> partner with the Council District and/or City in getting testing to come to Parkview for these seniors who may be at risk?
>
>
> Thanks for the consideration.
